Dear Senior Prescription Drug Assistance Program Member,

We are happy to inform you that the Senior Prescription Drug Assistance Program (SPDAP) will continue to provide a Premium Subsidy of up to $40 per month towards your Medicare Part D premiums in 2020. You do not have to enroll in a particular plan to receive the premium subsidy.

Please note, Medicare changed the Standard Medicare Part D Prescription Plan Maximum Deductible (if applicable) from $415 in 2019 to $435 during 2020.

It is important to remember that in addition to the annual Open Enrollment Period — Tuesday, Oct. 15th through Saturday, Dec. 7th — enrollment in the SPDAP offers members the added benefit of being allowed to change their drug plan one additional time during the calendar year.

Information about eligibility, maximum subsidy benefit amount, and submission instructions for the 2019 SPDAP Coverage Gap (Donut Hole) subsidy will be forthcoming in January.

The following two tables reflect both 2020 Medicare Advantage Plans and 2020 Medicare Rx Plans:
