Integrated Designs Produces Award Winning Work
Glen Burnie advertising agency's design receives prestigious awards

Glen Burnie, MD – June 4, 2009 – Integrated Designs is pleased to announce the recognition of their outstanding work performed for the Maryland State Highway Administration's Office of Communications. SHA received the prestigious ***Silver Anvil Award of Excellence*** from the Public Relations Society of America (PRSA) for the year-long Maryland Highway Centennial campaign. SHA received a ***Bronze Anvil Award of Commendation*** for a coffee table book, '*Moving Maryland Forward - A century of modern road building*' designed by Integrated Designs.

Recognized as the icon of best public relations practices the Silver Anvil is annually awarded to organizations, which have successfully addressed contemporary issues with exemplary professional skill, creativity and resourcefulness. Silver Anvil Awards recognize complete programs incorporating sound research, planning, execution and evaluation and must meet the highest standards of performance in the profession. Bronze Anvil Awards recognize outstanding public relations tactics — the individual items or components that contribute to the success of an overall program or campaign and are the hard-working parts of any public relations program.
